NET MARKETING CONSULTING GROUP ANNOUNCES
NEW CLIENTS IN FOURTH QUARTER

This quarter, NET Marketing Consulting Group welcomes four new clients to their growing roster: Chef Steff, restaurant owner, TV personality, and favorite chef of numerous NFL stars; CentrimElectric, one of the premier electrical contractors in the Tri-State area; The Women's Center, a healthcare facility for women with four locations across Central Florida, as well as a medical and wellness spa called Metamorphosis; and finally, Leiby & Hall, a legendary sales group specializing in custom sales solutions for timeshare properties and resorts.

All four new clients have been contracted for complete Internet marketing and branding campaigns, starting with corporate identity creation, collateral development, and Web presence, culminating in managing monthly Non-Advertising platforms that include Search Engine Optimization, Social Media Marketing, Blog Management, and Online P.R.

Additional contracts for the end of the quarter remain open and may reveal even more new business for the growing Internet Marketing consultancy. The future is looking bright for NET Marketing Consulting Group.
